\$\$\$ Available for Circle Events

Is your service organization, church, school or business planning to hold an event that will bring a substantial number of people downtown? If so, did you know that the City Council has set aside a "Circle Fund" that may be able to help you defray some of your expenses? The application process is simple, and many groups have already used "Circle Funds" for events such as "Movie Night on the Circle" and "Save the Earth Hour". To find out if your event qualifies, and how to apply, please contact Barbara Robinson at robinsonb@miamisprings-fl.gov.
